

Wishing you a Happy Christmas 2007 and a Great 2008

A big event this year was Frances' family getting together again, this time in the USA. First in Kanab, Utah to visit Grand Canyon, Bryce Canyon and Zion and also

in Yosemite, California to celebrate, amongst other things, Barbara's 60th birthday!

We enjoyed summer with our grandchildren visiting Boston Harbor, Norfolk and Cape Cod.

Annika age 12

Sarah age 9

Ean age 8

Max age 5

Oliver age 5

We were busy, John in "part time" work across the US, Hawaii and Dubai and playing chess. Frances volunteered with Voice of the Faithful, League of Women Voters, Rosie's Place and studied Spanish. We went to Florida with Lucy's extended family and to Maine for the foliage.

Good news, at year's end, is that Mike's Dad, Dennis, is doing well after bypass surgery.
